Ravena

To get to high school from the north, take I-87 south to exit 23, bearing right on 9W south by Howard Johnsons. Stay on 9W for about 10 miles, and go past the Blue Circle Cement Plant. Just past it, the school complex is on the right. If coming from Catskill and the south, take I-87 north to exit 21-B and then take 9W north to Ravena. Go through town, and the school complex is one and 1/2 miles north of Ravena, on your left.
