

Sixth Grade Social Studies: Course Outline

Welcome to Sixth Grade Social Studies! I look forward to having a wonderful year with you. Here is a course outline for this year. Please remember that I expect that you are doing your best each and every moment.

Units of Study:

Unit One: Early Humans and the Rise of Civilization

Unit Two: Ancient Egypt and the Near East

Unit Three: Ancient India

Unit Four: Ancient China

Unit Five: Ancient Greece

Unit Six: Ancient Rome

Grading:

All assignments will receive a point value. At the end of the marking period, your grade will be determined by dividing the number of total points you have earned by the sum of the assignments' given. For example if you scored 230 out of 250 possible points your grade would be a 92% (230/250). This means that if you do not perform well on tests and quizzes, however you do your homework you can still end up with a good grade. On the flip side, if you get 100% on all of the tests but do nothing else, you could fail this course.

Class Rules

Respect Yourself
Respect Classmates
Respect Teacher
Respect Materials

“Be the best person that you can be each and every moment.”

-Mr. Nacheman
